Dear Superintendent:

On 29 September of this year I had the pleasure of officiating your Friday Night Football Game against May High School.

I wish to congratulate the outstanding job that was done by the Ranger Unit during the presentation and honors to our country prior to the start of the game. I served in the U.S Army for over twenty years and have been in and in charge of many ceremonies. The way your young people presented themselves before that crowd of people was outstanding to say the least. It gave great credit upon themselves, their leadership, their school and all who serve and have served this great country.

Keep up the great work you should be very proud of an outstanding group.

Sincerely,
